EDITORIAL OVERVIEW

Experience Overview

This is not merely a honeymoon; it's a love letter written across the African landscape. Your seven-day journey begins with three nights in the Serengeti, where you'll share your first sundowner as married travellers from the vantage of a kopje overlooking an endless sea of golden grass. Stay in an intimate luxury lodge with just twelve suites, each with a private plunge pool and outdoor shower. Private game drives reveal lion prides, leopard pairs, and the world's fastest cheetah sprinting across the plains. On your final Serengeti evening, a private bush dinner is arranged under the Milky Way, complete with candlelight, champagne, and the distant call of hyenas. From the savanna, you'll fly directly to Zanzibar's Stone Town, transferring to a boutique oceanfront resort on the secluded east coast. Spend your final three days snorkelling prismatic reefs, kayaking through mangrove channels, enjoying couples' spa treatments with ocean views, and savouring freshly caught seafood by lantern light on powdery white sand.
